**DEPARTMENT OF FAMILY ADMINISTRATION
FAMILY DIVISION / FAMILY SERVICES GRANTS
GUIDELINES FOR GRANT RECIPIENTS**

The Maryland Judiciary receives state funding each year to enhance the circuit courts' ability to provide a fair and efficient forum for resolving domestic and juvenile matters. The Administrative Office of the Courts (AOC), through its Department of Family Administration (DFA), administers grants designed to improve the management of family law cases and support a spectrum of services to families involved in the legal system. The DFA solicits applications each year through Notices of Funding Availability (NOFA).

1. TYPES OF GRANTS AVAILABLE

The DFA offers four main types of grants: Circuit Court Jurisdictional Grants, Special Project Grants, Termination of Parental Rights (TPR)/Permanency Grants; and the Court Appointed Special Advocate (CASA) Grants. This guideline explains the application processes and grantee requirements for all four types of grants.

1.1 Circuit Court Jurisdictional Grants

Circuit Court Jurisdictional Grants are designed to establish and maintain family divisions within Maryland's larger circuit courts and to support family services programs within the smaller circuit courts. They are intended to assist the circuit courts in fulfilling the mandate of Maryland Rule 16-204. They are *not* intended to supplant existing services offered by the circuit courts, nor are they intended to support basic operational costs for the courts. Insofar as these funds are utilized to create new positions and new programs, grantees may expend a reasonable amount on one-time costs (e.g., to purchase a computer for a new employee) or operational costs that otherwise would not be supported by the court. See Section 4.1 for information on the application process.

Only Maryland Circuit Courts are eligible to apply for funding.

1.2 Special Project Grants

Special Project Grants support programs designed to increase access to justice and enhance the experience of families and children involved with Maryland's legal system. See Section 11 for information on the application process.

Eligible grantees include state and local courts and governments within the State of Maryland, non-profit organizations, and institutions of higher education within the State of Maryland who work in collaboration with the courts.

1.3 Termination of Parental Rights (TPR)/Permanency Grants (Foster Care Court Improvement Project)

The Foster Care Court Improvement Project (FCCIP) within the Department of Family Administration receives funds to further the elimination of barriers to timely permanency and assist the courts in processing Child in Need of Assistance (CINA) and related Guardianship and Adoption cases. See Section 12 for information on the application process.

Eligible grantees include state and local courts and governments within the State of Maryland, non-profit organizations, and institutions of higher education within the State of Maryland who work in collaboration with the courts to enhance efforts to ensure permanency for children in CINA and related cases.

1.4 CASA Grants

State and local CASA programs serve abused and neglected children who are involved in CINA and related cases in the juvenile courts. These grants support programs that provide volunteers whose primary purpose is to ensure that children who are the subject of a CINA proceeding are provided with appropriate services and case planning that is in their best interest. See Section 13 for information on the application process.

In accepting grant funds, CASA grantees agree to abide by the *Performance Based Funding Model for Maryland CASA Programs*, as well as the *Maryland CASA Program Performance Standards*.

Eligible grantees include a any government/government entities, non-profit organizations or institutions of higher education administering a CASA program or any governments, non-profit organizations or institutions of higher education in a jurisdiction where there is not currently a CASA program, but where one is being planned. See Section 13.3, below, for additional eligibility requirements.

2. INDIRECT COSTS

Indirect costs are those costs of an organization that are not readily assignable to a particular project, but may be necessary to the operation of the organization and the performance of the project.

Court grantees may *not* request funds to support indirect (administrative) costs.

In some instances, non-court grantees may request support for indirect costs with appropriate justification. Indirect costs are limited to no more than ten percent (10%) of the direct costs awarded. Applicants seeking indirect costs should submit an indirect cost study to support their request.

3. OTHER FUNDS

Grantees are encouraged to seek additional funding for family division activities and programs from sources other than the grants described above. Local county governments that support the regular activities of the circuit court will continue to provide funding for existing positions. They also may be called upon to support new positions or programs to advance the courts' family law initiatives.

As described in Section 10.2, in some instances circuit courts are empowered to charge fees to the litigants for specific services. If permitted, those funds may be used to offset the cost of existing programs or to subsidize other family division / family services activities.

CASA grants must meet a matching fund requirement. See the *Performance Based Funding Model for*

Maryland CASA Programs for more information. This guide is posted on the DFA website: www.courts.state.md.us/family/grantadmin.html.

4. FUNDING CYCLE

The DFA awards grants on the state's fiscal year cycle. Grants awarded for Fiscal Year 2011 will support family and juvenile program needs from July 1, 2010 through June 30, 2011.

Circuit Court Jurisdictional Grants. The DFA makes award decisions after the close of the General Assembly's Legislative Session and before July 1. Each county administrative judge will be notified of the amount of the grant via a letter from the Chief Judge of the Court of Appeals in June, immediately preceding the commencement of the fiscal year.

All Other Grants. The DFA makes all other grant award decisions on a timeline established in the respective NOFA.

4.1 Circuit Court Jurisdictional Budget Requests

All Circuit Court Jurisdictional Grant applicants must project their program needs for two years. They must have forwarded a proposed budget request for Fiscal Year 2011 in July, 2009. Grantees must submit their projected budgets for Fiscal Year 2012 by July 15, 2010. Once the DFA receives the budget requests, the DFA will review all budgetary and programmatic information and determine the level of funding to be appropriated for each court. Additional funds may not be available for unanticipated needs during the course of the fiscal year.

NOTE: Circuit Court Jurisdictional Grant recipients may *not* apply for Special Project Grants. In addition, Permanency Grants will not be awarded to Circuit Court Jurisdictional Grantees for more than two consecutive years. Circuit Court Jurisdictional Grantees that received Permanency Grants in the past must submit requests for continuation funding in their Jurisdictional Grant budgets if they wish to continue these programs or services.

Each county administrative judge will be informed of the amount of the family division/family services grant via a letter from the Chief Judge of the Court of Appeals in June, immediately preceding the commencement of the fiscal year that the funding supports.

4.2 Other Grant Budget Requests

The requirements for budget requests submitted in connection with other grant programs are explained in the NOFA for each. See Section 11 for information on the Special Project Grant application process, Section 12 for information on the TPR/Permanency Grant application process, and Section 13 for information on the CASA Grant process.

4.3 Mid-Year Grant Requests

The DFA reserves the right to make mid-year grants upon request and upon availability of funds. Requests may be submitted in response to a Notice of Funding Availability (NOFA), if distributed mid-year, or upon consultation with DFA staff. Grantees may use the mid-year request grant procedure to request funding for positions or programs which were not anticipated in their original budget request.

4.4 Distribution of Funds

If awarded, and unless otherwise provided for in the grant agreement, all grant funds will be paid on a *reimbursement basis* only, upon submission of timely financial expenditure reporting, program reporting and a request for payment.

The DFA will withhold payments in the event that the jurisdiction or other grantee has failed to comply with the grant requirements specified below, or if those reports reflect that a jurisdiction or grantee has failed to expend funds previously distributed within a reasonable time period.

Unspent Grant Funds

Circuit Court Jurisdictional Grantees must project unspent or unobligated grant funds no later than May 15, 2012. Grantees must expend all grant funds by the end of the fiscal year in which they are awarded.

Identifying Fund Recipients for Grantees. In completing the application for funds, grantees will be required to identify the person or entity to whom payments should be made and the address to which the payment should be mailed.

4.5 Adjusted Budgets

Once Circuit Court Jurisdictional Grantees are notified of the amounts of their awards, each will be required to submit a revised budget, reflecting a spending plan based on the actual amount awarded. Each jurisdiction will be held accountable for complying with this revised budget through the quarterly reporting process, described in Section 6.1.1.

All other grantees may be asked to submit an adjusted budget if the amount awarded did not equal the amount requested, or otherwise upon request of the DFA.

4.6 Mid-Year Budget Modifications

Grantees may make minor adjustments to budgets between existing line items during the course of the fiscal year without prior approval. Those modifications must be submitted for review by the DFA using page 2 of the Mid-Year Budget Modification form on the DFA website: www.courts.state.md.us/family/grantadmin.html.

Any modifications which would result in a deviation of 10% of the overall budget, or \$25,000, whichever is lower, or any commitments such as a new position or contract which is likely to impact future fiscal years, must be approved in advance by the DFA. Grantees must submit modification requests in writing by completing the Mid-Year Budget Modification form provided at www.courts.state.md.us/family/grantadmin.html.

Expenditures that do not comply with the adjusted or approved budget will not be authorized until the DFA staff signs and returns a copy of the approved budget modification form to the grantee.

5. ACCOUNTING AND BUSINESS REQUIREMENTS

5.1 Establishing Revenue and Expenditure Accounts

Each grantee must maintain records of its financial transactions and accounts in accordance with generally accepted accounting principles.

Each Circuit Court Jurisdictional Grantee must work closely with its local county or city government to establish appropriate accounting practices to monitor grant funds awarded through this program. Family divisions shall follow the general accounting principles used by the local county or city government. Each circuit court must establish a separate revenue account into which family division / family services funds must be deposited. Each circuit court must likewise establish a separate expenditure account to which family division / family services expenditures must be charged. Each circuit court is responsible for periodic (i.e., monthly) monitoring of these accounts to ensure that grant funds are credited and charged appropriately. Grant funds shall not be commingled with or revert to general county or city funds.

5.2 Personnel and Payroll Records

Each Circuit Court Jurisdictional Grantee must follow local county payroll, personnel, and time and attendance procedures for each position supported by its grants.

All other grantees must follow their organization's regular payroll, personnel, and time and attendance policies for each position provided for by these grants. These policies must be in writing.

Upon request, grantees must provide a copy of those policies to the DFA.

5.3 Procurement

Each Circuit Court Jurisdictional Grantee must follow local county procurement policies in expending grant funds.

All other grantees must abide by their organization's regular procurement and financial policies in expending grant funds. These policies must be in writing. Upon request, grantees must provide a copy of these policies to the DFA.

Grantees that do not have an established written procurement policy must solicit three written bids or proposals for goods or services to be purchased with grant funds for over \$2,500. Grantees must maintain proof of compliance with this requirement and provide verification that the policy was followed for applicable purchases, upon request.

Goods and/or services purchased with grant funds shall remain in the ownership and liability of the grantee, and the grantee shall assume responsibility for all routine equipment maintenance and/or replacement costs.

Grantees that use grant funds for contractual services must notify potential contractors that funds for the project originated from a DFA Judiciary grant.

5.4 Reconciliation with County/City Records for Jurisdictional Grantees

Each jurisdiction is responsible for periodic (i.e., monthly) monitoring of county/city records regarding family division / family services grant funds. The administrative judge or a designated staff person should receive monthly expenditure reports and reconcile family division records with those of the county to ensure accuracy.

5.5 Management Reviews, Audits, and Recordkeeping

Grant recipients may be subject to periodic management reviews or audits. Upon accepting a grant award, grantees agree to provide any authorized representative of the Judiciary's Internal Audit Department access to and the right to examine all records, papers, books, and documents related to the Judiciary grant.

Grantees must maintain full and accurate records of all financial transactions and accounts related to the grant-funded project for a minimum of three years after the grant period ends, and until audited, including requests for payment and receipts for expenses incurred, and timesheets for any salaries paid for with grant funds. These are subject to review by the DFA, the Judiciary Grants Coordinator, and/or the Judiciary Internal Audit Department, at any time.

5.6 Evaluations

In accepting a grant award, grantees agree to cooperate with Judiciary-sponsored evaluation projects, upon request.

6. REPORTING REQUIREMENTS

The DFA will not accept faxed or e-mailed reports. Only hard copies with the original signatures will be accepted. Reports must be complete when submitted. Partial reports will not be accepted. The Quarterly Report includes a program performance section as well as a financial expenditure section.

In accordance with Maryland Rule 16-204, the county administrative judge shall prepare and submit to the Chief Judge of the Court of Appeals, no later than October 15 of each year, a written report that includes a description of family support services needed by that court, a fiscal note that estimates the cost of those services for the following year, and an estimate of the fiscal needs of the Clerk of the Circuit Court arising from new family division/family services programs and initiatives. This report should take the form of an annual report of the family division or family services program and should also include a summary of existing programs and activities of the family division/family services program. A copy of the report must be provided to the DFA..

NOTE: Although Maryland Rule 16-204 specifies that this report is to include a fiscal note, any budget requests for the following year must be made by mid-July or the deadline indicated in Section 4.1 above. Budget requests which are presented for the first time in this fiscal note will not be considered.

6.2.2 CASA Grantees

Local CASA grantees must submit an annual report to Maryland CASA no later than July 15, 2011. Maryland CASA must submit a combined statewide report to the DFA no later than August 1,

2011. All reports must be submitted in the format provided.

8. NEW POSITIONS AND PROGRAMS

All new positions and programs must commence within 90 days of the beginning of the fiscal year or other projected start date as indicated in the grantee's budget. If the project is not operational within that time frame, the grantee must report to the DFA the steps taken to initiate the project, the reason for delay, and the expected start date. Failure to implement new positions or projects within this 90 day period or to obtain an extension from the DFA may result in a cancellation or delay of fund distribution. Extensions for delays must be submitted within the 90 day time frame.

9. PROGRAM INFORMATION

All grantees must inform the DFA within 15 days of any changes in key program personnel, program activities, program name, address or other contact information.

Grantees must submit organizational information including program brochures, policies, by-laws, articles of incorporation, and other materials upon request to the DFA.

10. REQUIREMENTS FOR JURISDICTIONAL GRANTEEES ONLY

10.1 Other Reports

Each Circuit Court Jurisdictional Grantee also will be periodically required to conduct surveys or record reviews and submit the results to the DFA to ensure compliance with performance standards established for the family divisions and family services programs.

10.2 Fees

If authorized by law, individual litigants may be levied a fee for services provided by or through the circuit court family division or family services program. Fees may be made payable to the court or to an individual service provider such as a mediator or parent educator. Prior to levying fees, the circuit court must establish written procedures for collecting and accounting for such fees, and for providing for fee waivers to those of limited financial means. A copy of the written procedures must be submitted to the DFA upon request.

10.3 Accounts Receivable

Each Circuit Court Jurisdictional Grantee shall establish a formal system for collecting fees and for monitoring accounts receivable. The administrative judge is required to report to the DFA on all fees levied for family law related services, whether those fees have been paid, and where those fees have been deposited or to whom they have been paid.

Fees should be collected in accordance with the Accounts Receivable policies detailed in the *Maryland Judiciary Accounting Manual*. Fees that remain uncollectible should be referred to the State of Maryland Central Collection Unit in accordance with the “CCU Procedure” detailed in the *Maryland Judiciary Accounting Manual*.

10.3.1 Fees Due the Court. When litigants have been ordered to pay a fee to the court, the court shall ensure that court-ordered fees have been paid in a timely fashion and shall establish a procedure for collecting unpaid fees. If the fee is for a service provided by a Circuit Court Jurisdictional Grant, the fee shall be deposited into the family division/family services revenue account. Under no circumstances shall funds be commingled with or revert to general county or city funds.

10.4 Fee Waivers

Each Circuit Court Jurisdictional Grantee shall provide litigants the opportunity to request a waiver of fees for any court-ordered or voluntary service provided through the court. The court may also offer a sliding scale arrangement to low income litigants, if they charge a fee. Even if a sliding scale fee is charged, however, the court must offer a complete fee waiver in appropriate cases.

10.4.1 Procedure and Forms

Circuit Court Jurisdictional Grantees shall provide any litigant who wishes to request a waiver of family services fees with a copy of the Motion for Family Services Fee Waiver, proposed Order, and accompanying Affidavit provided in this document. The circuit court shall consider any such motion filed in light of the standards provided in Paragraph 10.4.4.

10.4.2 Definitions

In determining eligibility for fee waivers, please refer to the definitions below:

Income This refers to actual current annual total cash receipts **before taxes of all persons who are resident members of, and contribute to, the support of a family unit.**

This INCLUDES:

- Wages and salaries before any deduction
- Income from self-employment after deductions for business or farm expenses
- Regular payments from public assistance, social security; unemployment and worker’s compensation
- Strike benefits from union funds
- Veterans benefits
- Training stipends
- Alimony, child support and military family allotments or other regular support from an absent family member or someone not living in the household
- Public or private employee pensions
- Regular insurance or annuity payments

- Income from dividends, interest, rents, royalties or from estates and trusts

This DOES NOT INCLUDE:

- Money withdrawn from a bank
- Tax refunds
- Gifts
- Compensation and/or one-time insurance payments for injuries sustained
- Non-cash benefits
- Food or rent in lieu of wages

Family Size Refers to the number of **adults and children residing in the home** with the person requesting the fee waiver. It may also include children who do not reside with the person requesting the waiver, but for whom the person is currently paying support.

Factors to consider when determining “family size”:

- living arrangements
- familial relationships
- legal responsibility
- financial responsibility or family unit definitions used by government benefits agencies

10.4.3 Determination of Eligibility

In making fee waiver determinations, please follow the guidelines below:

- a. Determine Income and Family Size and reference chart in Section 10.4.4 for waiver eligibility.
- b. A full fee waiver **must** be granted to those individuals whose income is below the threshold indicated, UNLESS
 1. The litigant has significant assets that can be readily drawn upon to pay for the services for which a fee waiver has been requested; OR
 2. The litigant has significant assets that suggest that they have access to the resources necessary to pay the fee for which a waiver has been requested, even though those resources may not be reflected in their income statement. Significant assets in excess of a house and a car might warrant closer scrutiny.
- c. A full or partial fee waiver may be granted to an individual whose income is higher than the threshold indicated, if:
 1. The court adopts guidelines that are more lenient than those indicated in the chart, and applies those guidelines to all litigants requesting fee waivers; OR
 2. The litigant demonstrates that they have extraordinary expenses that affect their ability to pay the fee. Factors which may be considered include:
 - Medical expenses
 - Fixed debts and obligations, including unpaid Federal, state and local taxes from

- prior years;
- Child care, transportation and other expenses necessary for employment;
- Expenses associated with age or physical infirmity of resident family members; and
- Other significant factors related to financial inability to pay for services.

10.4.4 Minimum Standard for Fee Waivers

Circuit court grantees shall grant a complete waiver of family services fees to any litigant whose income is **equal to or less** than the amounts in the table below.

<u>Family Size</u>	<u>Annual Income</u>	<u>Monthly Income</u>	<u>Weekly Income</u>
1	25,208	2,101	485
2	32,964	2,747	634
3	40,720	3,393	783
4	48,476	4,040	932
5	56,232	4,686	1,081
6	63,988	5,332	1,231
7	65,443	5,454	1,259
8	66,897	5,575	1,286
9	68,351	5,696	1,314
10	69,805	5,817	1,342

“Family size” refers to the number of adults and children residing in the home with the person requesting the fee waiver. It may also include children who do not reside with the person requesting the waiver, but for whom the person is currently paying support.

The chart above is based on household income information contained in the Federal Register, March 1, 2009, Vol. 74, No. 48, which states that the median income for a Maryland family of four is \$96,952. The figures above reflect 50% of the median family income for the State of Maryland, and establish maximum income levels for client eligibility.

10.5 Interest on Grant Funds

Interest earned on unspent balances in the family division / family services revenue account may be credited to the family law revenue account upon agreement of the Circuit Court grantee and local government. If interest accrues on the account, the interest should be reflected in the grantee’s quarterly report and plans for its expenditure should be included in the grantee’s budget. In no instance should interest earned on grant funds be commingled with or revert to general county or city funds.

Organizations interested in obtaining a Family Services Special Project Grant must submit the application in response to the Notice of Funding Availability (NOFA). NOFAs will be distributed on or before February 15 of each year with applications due as defined in the NOFA. Funding will commence the fiscal year immediately following. For example, to request funding effective July 1, 2010, prospective grantees must submit their application by March 12, 2010.

11.1 Acknowledgment Requirement for Special Project Grantees

All Special Project Grantees agree that any publication (written, visual or sound) issued by the Grantee describing projects funded in whole or in part with Family Division/Family Services Grant Program funds shall contain the following statement: "This project is supported by a Special Project Grant from the Maryland Judiciary Administrative Office of the Courts, Department of Family Administration."
